

APPLICATION FOR A SCHOLARSHIP

I am kindly requesting for my son/daughter*
(child's name and surname)

a scholarship covering the costs of tuition fees for studying at the Open Future International School in the school year

I declare that the net income per person in the family in the preceding calendar year

amounted to,
(amount) (written amount)

I apply for the scholarship because of the difficult financial situation.

Substantiation:

With the application I enclose (put X in the appropriate box):

- Certificate from the Tax Office about the income obtained by both Parents/Legal Guardians or the only Parent/Legal Guardian having parental authority* in the previous calendar year – obligatory.
- Document confirming the exercise of parental responsibility only by one Parent (court judgement, death certificate, another) – mandatory in the case of exercising parental responsibility by one Parent/Guardian.
- Declaration on the amount of child support or other financial support received from the other Parent/Guardian* of the child – in the case of parental responsibility exercised by one parent.
- Documents confirming the child's special talents or achievements, including educational ones.

I declare that I have been informed* that:

- submission of the application does not guarantee receiving the scholarship;
- if awarded a scholarship, it may be a full or a partial one;
- the scholarship is awarded in the form of a discount on tuition fees for a period of one school year, under an education contract and is not paid in cash;
- the scholarship covers only the costs of tuition and does not include other costs.
