Educational offer for 2023/2024

The offer for children from preschool children includes all the necessary elements needed to implement the Polish core curriculum in accordance with the IB methodology and to perform a care and educational function in the preschool. Admission to the preschool is confirmed by the education contract signed by both Parents or Guardians and the payment of the enrollment fee.

The offer is designed so that parents do not have to deal with matters related to the purchase of a layette and its possible supplementation during the preschool year. This solution is convenient and comfortable also for our preschoolers, who always have educational materials for classes in the preschool. Trips that children go on to learn more about the project are also included in the tuition fees.

In August, the preschool is open for about half of a month - the exact dates are given in the management's announcements for each preschool year. A break in the preschool's operation is needed to carry out the necessary renovations, repairs, repainting the rooms and thorough cleaning of all furniture, toys, educational materials and carpets. It is also the time needed to train teachers and prepare for the next preschool year.

Recruitment - preschool

Recruitment procedure:

1. Filling out the registration form on our website: www.openfuture.edu.pl.
 2. Meeting with the representative and / or the principal of the preschool.
 3. Starting the admission procedure - trial week of the child in the preschool.
 4. Signing the training contract with attachments and providing the required documents.
 5. Beginning preschool attendance.
- ✓ Supplemental recruitment continues throughout the year until available places are filled, with priority given to siblings of preschool children and students of Primary School and High School at Open Future International School and Preschool.
 - ✓ Places in the first grade of Open Future Primary School are reserved for preschool children of Open Future Preschool from grade 0. For this reason, in order to have guaranteed a place in the 1st grade of primary school, a child must be first a student of grade 0 in Open Future Preschool.
 - ✓ The decisive factor is the order of applications, going thru the recruitment process and signing the education contract by their parents.

We guarantee and recommend a free trial week for recruited children throughout the year. During such a week, you only need to pay in advance for the ordered meals for your child.
